

Repeat Prescription Service

Ready and waiting for you

Getting your repeat prescription can be time consuming, with all the toing and froing to the surgery. Facer Pharmacy can help to make this easier for you.

How our service works:-

- 1. Leave your completed repeat slip with us**
- 2. We will order your repeat prescription from the surgery, collect it for you and have it ready and waiting for you when you next visit us. And because we know in advance what medicine you are taking, we can make sure we always have it in stock for you.**

PLUS when you sign up to our Repeat Prescription Service, you'll also be entitled to a consultation with our Pharmacist. Here you'll be able to ask any questions you have about the medicines you are taking to make sure you are getting the most from them.
