

## Prescription Delivery Service

**Cannot get to us? We will come to you**

**If you cannot get to us then we can come to you! We can deliver your medicines to your home free of charge.**

### **Benefits**

- **You will not have to go to the surgery to pick up your prescription (if you are on our Repeat Prescription Service)**
- **We will make sure that your surgery knows you are using this service**
- **You will not have to wait while your prescription is being dispensed**
- **We will make up your medicines and then bring them to you**

**And that's it. It really is simple!**
